Docket No. 302128

Judges

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED for failure to persuade the Court of the necessity of a remand at this time.

In lieu of granting defendant-appellant's motion to remand regarding the prosecution's Exhibit 29, the Genesee County Prosecutor's Office is ordered to provide to defendant-appellant's counsel, within 21 days of the date of certification of this order, a viewable copy of Exhibit 29 by converting that exhibit to another format so that it can viewed without special software or equipment. Because the prosecutor's office relied on special equipment or software to show that exhibit at trial, it is obligated to convert that exhibit to another format for its use on appeal. Pursuant to this Court's previous order of November 30, 2011, the Genesee County Prosecutor's Office has failed to show that it is technically unable to provide defendant-appellant with a viewable copy of its Exhibit 29. The prosecutor's office shall also file a viewable copy of its Exhibit 29 with this Court within 21 days of the date of certification of this order.
